Executive Order

MEMORANDUM FOR

HEADS OF DEPARTMENTS AND AGENCIES

SUBJECT: Implementation of Civil Rights Act

At the last Cabinet meeting, the President asked for a report by July 13 on the activities each department and agency would initiate to implement its responsibilities under the Civil Rights Act. In addition to the preparation of draft regulations (due July 16th), this report should list the steps your agency plans to take before and after the regulations are issued to encourage voluntary compliance and to assure the abolition of discrimination from Federally-aided programs.

The recipients of Federal funds should be advised of what the Act will require of them and provided assistance and guidance by the granting agency to help them meet their responsibilities. Also an inspection and reporting program should be developed which will assure that discriminatory practices are actually being abandoned.
